### SUMMARY OF AUDIT

### Korean Register of Shipping

### Rev. [R0]

Ref. No. : BNKA005717

#### Narrative Report for Verification

#### Objective of the Audit

This audit includes a complete audit of shipboard security system and associated security equipment covered by the relevant provisions of chapter XI-2, the ISPS Code and the approved ship security plan, and ensure that the security system and associated security equipment of the ship fully complies with the applicable requirements of chapter XI-2 and the ISPS Code.

#### Opening Meeting

SSO and all crew except personnel in duty attended at the deck office. Explanation about the audit such as the scope, objective, plan and etc. was addressed.

#### SSP review

SSP was approved by the Administration on 18/05/2017. The approved SSP was examined according to KR's "Check List For Shipboard Security Audit " focusing on preventive measures against security incidents and on security equipment.

#### Master/SSO Interview

Interview was done with Master/SSO to verify the knowledge of the relevant requirements of SOLAS Chapter 5/8/13.2 and ISPS Code Part A 6.2/Part B 6.1.1-6.1.3/Part B 13.1-13.2 according to the "Check List For Shipboard Verification"

#### Crew interview

Interview was done with shipboard personnel to verify the knowledge of the relevant requirements of ISPS Code Part A 13.3 and Part B 13.2-13.4 according to the "Check List For Shipboard Security Audit"

#### **On-Scene Inspection**

Security records were inspected and round-check was done for security equipment condition and for security measures specially for the restricted areas.

#### Drill

Bomb-search drill was carried out following a self-made shipboard scenario with attendance of all personnel except personnel in duty.

#### **Closing Meeting**

SSO and all crew except personnel in duty attended at the deck office. Explanation about the summary of the verification and the results was addressed.

#### Others, (If any)
